ARCADIA—John F. "Jack" Stewart was elected chairman of the planning commission Tuesday night.

Stewart, who has been on the commission two years, was elected for a one-year term as chairman.

John D. "Jack" Cahill was elected as vice chairman of the commission.

Mrs. Harry Lauber, who presided at her last meeting as chairman thanked the commissioners and said, "It will be a year I will never forget."

Commissioners praised Mrs. Lauber for her service on the commission and said as chairman she had done a "tremendous job."

William Kuyper was reappointed to a four-year term on the commission by city councilmen Monday.

Stewart is expected to make appointments to the five committees within the next month. The committees include zoning, subdivision, sign, technical study and general plan study.
